NOTES:

Band runs full in-ear monitors via Behringer X32 Rack System w/ iPad. Band will provide 30ft split snake for FOH.

Please note that Channels 17-32 are for BAND EARS ONLY - **PLEASE DO NOT ADJUST THESE CHANNELS FOR ANY REASON!**

Band will supply all drum mics (except overheads) as well as the LEAD wireless vocal mic. Front of house will need to provide all other mics for vocals and instruments, as well as all XLR cables.

Band runs backing and/or click tracks behind all songs. Please see setlist for track and vocal ques.
